

Shelf life of Resuscitation and Anesthesia Facemasks

We hereby certify that O-Two Resuscitation and Anesthesia Facemasks:

02FM4999-cs, 02FM5000-cs, 02FM5001-cs, 02FM5203-cs, 02FM5205-cs, 02FM5206-cs, 02FM5207-cs, 02FM5208-cs and 02FM5210-cs

comply with O-Two Medical Technologies, product specifications.

During the shelf life of the masks, which is defined as **5 years**, the health and safety of patients or users as well as the effectiveness of the masks will not be adversely affected under the recommended conditions of storage.

This has been established by inspection and test records, which form part of our Quality Assurance Plan.

We hereby also certify that O-Two Resuscitation and Anesthesia Silicone Facemasks:

02FM5097-cs, 02FM5098-cs, 02FM5099-cs, 02FM5100-cs, 02FM5101-cs and 02FM5102-cs

comply with O-Two Medical Technologies, product specifications.

During the shelf life of the masks, which is defined as **7 years**, the health and safety of patients or users as well as the effectiveness of the masks will not be adversely affected under the recommended conditions of storage.

This has been established by inspection and test records, which form part of our Quality Assurance Plan.

David, Zhang,
Quality Assurance Manager
